The Menu of Primavera from London includes about 88 different menus and drinks. On average, you pay for a dish / drink about £12. What [Edward Young](#) likes about Primavera:

The service was of excellence at Primavera, very friendly staff members who were extremely welcoming. Visited for a friends birthday dinner and the food was delicious and on a great offer! Would highly recommend to a friend and will be visiting soon [read more](#). The place also offers the possibility to sit outside and be served in pleasant weather. What [Ross King](#) doesn't like about Primavera:

Decent food but overpriced. Service is ok, slightly slow. Interior is a bit cramped and the music was terrible. I wouldn't go back but pizzas going on take away looked nice [read more](#). In Primavera in London, they prepare **crispy pizza** using a traditional method, served **straight out of the oven**. You can take a break at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks. In addition, you can expect original Italian cuisine with delicious classics like pizza and pasta, and you can look forward to the scrumptious traditional seafood cuisine.
