The restaurant was recommended to me, I like a good burger so could not resist. I was not disappointed, two signature burgers ordered, both were fantastic, a great draft lager offered, friendly staff and a lively though not loud atmosphere what more could you want on a Saturday evening [read more](#). The restaurant also offers the possibility to sit outside and be served in pleasant weather. What [Tyler Murray](#) doesn't like about Meat Busters: Food was ok, pricing was reasonable too, staff attentive but we were waiting for burgers for over and the place only had space for customers not insanely busy Not much space so I'm guessing hiring another chef is not an option but min for a burger is not acceptable waiting time [read more](#). Meat Busters from Bath is a good option for a bar if you want to have [a beer after work](#) and sit with friends or alone, The visitors of the establishment also appreciate the extensive selection of various *coffee and tea specialities* that the establishment has to offer. You can just get one of the tasty sandwiches, a healthy salad or another snack, if you're not that ravenous, You'll find nice South American cuisine also on the menu.
