When the weather conditions is nice you can also eat and drink outside. If you're craving some zesty South American cuisine, you've come to the right place: delightful meals, cooked with fish, seafood, and meat, though corn, beans, and potatoes are also in the menu, At the bar, you can relax with a cool beer or other alcoholic and non-alcoholic drinks. Watching various sports games and matches is also one of the main attractions when visiting this sports bar, and you can indulge in fine American dishes like **Burger or Barbecue**.
