I love Ethiopian food, I got it last week from another vegan place nearby, and I saw the 5 stars reviews on here so really wanted to try. I got a mixed box which had lots of options and came with injera so you get a great portion. But it came in a box that was leaking a bit and I didnt really like two of my choices for some reason although thats just personal preference and the risk of uber eats. The injera was super... It's certainly always an experience to be in a typical saloon and to taste; to feel like a cowboy for once with a beer and also the finger food like crispy fries, onion rings or a hearty burger, Likewise, the visitors of the restaurant prefer the comprehensive selection of various [coffee and tea specialities](#) that the establishment provides. After the meal (or during it), you have the opportunity to also relax at the bar with a alcoholic or non-alcoholic drink, You'll also find tasty bites, cake, simple snacks and chilled refreshments and hot beverages here.
