What [Andrea Guerra](#) likes about Sua By Triciclo:

Our second time here we enjoyed it when we did the first time. The age beef is excellent and as I eat my wife her fish I would say it was also excellent and well prepared. The service was attentive and cordially not intrusive. Will be an important factor in our future visits to Madrid. [read more](#).

What [Alexia Llorente](#) doesn't like about Sua By Triciclo:

Honestly, this place was incredibly disappointing. The service was one of the worst I have ever experienced, the staff seemed upset when we entered, had waited for a long time, gave us the worst table possible, took 25 minutes to bring us our drinks and honestly, I do not recommend this place. We actually ended up and somewhere else near. [read more](#). During a meal, a good drink is essential. In this *gastropub*, you not only get delicious meals from the menu but also a comprehensive and particularly good variety of good beers and other alcoholic beverages that go well with the food, the guests love having the chance to watch the latest games or races on the big screen in this sports bar, while also enjoying food and drinks. The **sweet and hot Spanish meals** from the kitchen of the house are also worth it, At the bar, you can unwind with a cool beer or other alcoholic and non-alcoholic drinks.
