The restaurant from London offers 112 different dishes and drinks on the menu at an average price of £8. What [Sasha Lewis](#) likes about Cheeky Chicos:

We are not from the area so this was a fab find to eat before an evening out. Food was amazing and the staff were lovely. We will definitely come back again. Very good value for money. [read more](#). When the weather is good you can also eat and drink outside. What [OpenTable Diner](#) doesn't like about Cheeky Chicos: The prices here are totally unjustifiable. The margarita pitchers are £40, small and full of ice. The food was very bland and nothing special. The waiters and waitresses were lovely but I would not recommend this place to anyone because of the food and price. [read more](#). Cheeky Chicos from London is a **cozy café**, where you can have a small snack or cake with a *hot coffee* or a *hot chocolate*. Many guests are particularly looking forward to the **diverse, delectable Mexican cuisine**. After the meal (or during it), you have the opportunity to also relax at the bar with a alcoholic or non-alcoholic drink. For breakfast a versatile brunch is offered here.
