Here you can find the [menu](#) of Nobu in [Doha](#). At the moment, there are **179** dishes and drinks on the card. You can inquire about *seasonal or weekly deals* via phone. When the weather is pleasant you can also eat and drink outside. What [User](#) doesn't like about Nobu:

The service was really bad, the guy who took the order missed the order for us twice the first tike I told him and I kept the order and I payed for something I didn't want, I told no worries just get it right this time and he missed it up again. Food wasn't good and were we sat was very warm and staff didn't want to raise the AC [read more](#). For those who want to **a cocktail after work** and sit with friends or alone, Nobu from Doha is a good [bar](#), Also, the drinks menu at this place is exceptional and offers a significant and varied variety of both local and international beers, which are definitely worth a try. The eatery also offers a extensive variety of flavorful tapas, which are certainly worth a try.
