Thank you so much for the amazing service. We was celebrating my husband's and we got a a sample starter; which was lovely, mango lassi shots, and a delicious passionfruit cheesecake. Thank you so much. [read more.](#)

The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations. What [Gordon King](#) doesn't like about Bnova:

This time they got a bit mixed up with our order and brought the starters with the main courses but it all still tasted great. [read more.](#) If you want to **a beer after work** and sit with friends or alone, Bnova from London is a good bar, In addition, the delectable desserts of the restaurant shine not only on children's plates or in the eyes of the little guests. Guests also value the use of original Indian spices.
