What a find! Entirely vegan Italian restaurants are hard to find and this one is really good. Gluten free too which you won't notice cause the dough is so nice. The atmosphere is good and the service friendly. On the pricier side but I suppose this is justified by the quality of the products used. [read more](#). What [Leanne Bennett](#) doesn't like about Plant Hub:

Innovative and clever combinations in a relaxed bistro-style setting. The mushroom kimchi starter was excellent with meaty' texture and rich smokey flavour. The antipasti was a good portion if a bit underwhelming. The endive with veg skewer and the kimchi no-omelette had great elements and flavours but overall the dishes lacked balance. Great effort to adapt table spacing and booking system in light of the pandemic m... [read more](#). In Plant Hub, a restaurant with Italian dishes from London, original Italian cuisine, with main courses such as [pizza](#) and pasta, is available to you, there are also delicious [vegetarian](#) dishes on the menu. Moreover, there are numerous *typically British* dishes on the card that are guaranteed to excite every Englishman's taste buds, The atmosphere also makes the consumption of typical Western dishes and drinks an unforgettable experience.
