**The Card of Zizzi Chiswick from London** includes about 172 different meals and drinks. On average, you pay for a dish / drink about £7. What [OpenTable Diner](#) likes about Zizzi Chiswick:

Booking process easy. Table already ready for us when we arrived a little early. Service very friendly and quite fast. Food generally good, although my sea bass was a little dry (and I noticed another customer sent theirs back for the same reason). Overall, very pleasant experience. Have eaten there now several times and it's always a pleasure to return. [read more](#). What [OpenTable Diner](#) doesn't like about Zizzi Chiswick:

Rather dark and dreary interior. Shown to a table (reserved) that was clearly too close to neighbouring tables for comfort. I haven't eaten here for years, but I seem to remember it being smarter. Service was swift and efficient and the food was well cooked and tasty. [read more](#). Zizzi Chiswick from London is a suitable bar to **a drink after work**, and sit with friends or alone, and you can look forward to authentic Italian cuisine with classics like [pizza](#) and pasta.
