Went here for a meal with my wife on a Wintery eve. The atmosphere was very warm and welcoming. As we never had eaten here before we were met by Lisa who looked after us very well. The steak on the stone and chicken curry was outstanding and well presented. Pint of Guinness was spot on too. We will be back to our new haunt again very soon. [read more](#). The restaurant also offers the possibility to sit outside and be served in pleasant weather, And into the accessible rooms also come visitors with wheelchairs or physical limitations. What

[קטיה רפפורט](#) doesn't like about O'dwyers:

Super stylish pub with great service and beer selection. You can have food here which is focused on typical bar food but also steaks on hot stone are available, unfortunately the food I did not like so much but the atmosphere was nice in general. O'dwyers from [Dunboyne](#) is a good option for a bar if you want to have a drink after work and hang out with friends, And of course, you should also try the *scrumptious burgers*, with sides such as fries, salads, or wedges served. Without doubt, the right drink enhances every meal; with this thought in mind, this **gastropub** offers a rich diversity of scrumptious and local alcoholic beverages like beer or wine, the restaurant provides however also dishes typical for Europe.
