The restaurant from Glasgow offers **111** different meals and drinks on the menu at an average £7. What [Leon](#) likes about Nando's:

Awesome food. Tried the half chicken, peri chips and corn. It was all excellent, cooked and spiced perfectly. It's been years since I've been to Nando's and I was not disappointed. Service was excellent, staff were friendly. [read more](#). The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations, Depending on the weather conditions, you can also sit outside and have something. What

[Robin Morozov](#) doesn't like about Nando's:

Nothing special. Table wasn't really clean, chicken very dry and not according to the order. Was very hungry and couldn't be bothered to go and explain, so it was what it was. Staff seemed rushed, I assumed they were short on people. Don't think I'll be visiting again. [read more](#). The restaurant offers you not only delicious fine dishes, but also a lovely view of the local sights, the restaurant offers however also **menus typical for Europe**. In addition, they proffer you fine seafood dishes, Likewise, the guests of the establishment prefer the large variety of differing *coffee and tea specialities* that the establishment provides.
