The restaurant offers complimentary WLAN for its visitors, Depending on the weather, you can also sit outside and eat. The Olive originating from London dishes out various tasty [seafood](#) menus, and you can look forward to authentic Italian cuisine with classics like [pizza](#) and pasta. In case you want to have breakfast, a *tasty brunch* is offered to you, At the bar, you can relax with a [cool beer](#) or other alcoholic and non-alcoholic drinks.
