What [Tracy Patel](#) likes about Cafe 21: absolutely recommended cafe season! I found the cafe on Google reviews and was really excited to try it during the visit. the cafe is stylishly decorated, with a modern menu. the deli counter is full of tasty tasty. we sat back in winter garden and it was light and airy and made for a beautiful environment! this was by far the best coffee we had since its arrival in the opposite and that was divine! it is also dog... There were signs on the window that there had vegan options. In fact, they have 4 options. Breakfast was 20p more than the meat option and had simply removed these items and substituted with avocado and mushrooms plus no free coffee. I'm tired of being demolished by Restaurants who jump on the bandwagon, but don't really support vegan lifestyles when they load more for less, this is certainly one of them. [read more](#). At Cafe 21, scrumptious dishes from international cuisine are freshly cooked for you, here they serve a appetizing brunch for breakfast. Lastly, the restaurant provides a assortment of **light** menus, which are surely worth trying, The yummy sandwiches, small salads and other snacks can be planned well as a snack.
