Not suitable for human consumption, not always but look what i got as a customer, Edit: service got much better they improved the food quality attached a picture of Sizzler burger had it few days ago looked and tested absolutely amazing, i wish they can fix the smell inside when i am waiting for my food i get the smell all over me.

Well done to the staff. [read more](#). What [User](#) doesn't like about Apache Pizza [Ballyhaunis](#):

The food is good, but there's one problem with the orders. Whenever we order a pizza from Sandros, they never put a small tub of garlic which should be included, because it's included with all the pizzas in the menu. They only give you the one which you bought separately, it makes me think they are saving money. All the time I call them to order, I need to note them to include the garlic, beg for it. Also forget about... [read more](#).
