What [OpenTable Diner](#) likes about Spencer's Bistro:

Great place really good for families had super choice and will definitely return. Service was outstanding went the extra mile. Booked a table using Open Table- phoned restaurant to see if I could put time back due to travel issues and was told by hotel SB is in that the bistro was shut that night-birthday meal ruined. Emailed hotel next day-no response. [read more](#). A roundtrip through Great Britain without getting on a plane is effortlessly possible when it comes to culinary delights: Spencer's Bistro in Edinburgh, City of traditionally shines for example with Fish and Chips, mashed potatoes or [roast with Yorkshire Pudding](#) and as dessert a **delicious Trifle**, You can also look forward to the typical tasty French cuisine. Not to be overlooked is also the comprehensive selection of *coffee and tea specialties* in this restaurant, Also, of course, the atmosphere has a big influence, which is why the customers appreciate not only the delicious dishes, but also the bistro itself love.
