we ate here three times in the evening and once at the breakfast and each meal was really excellent. the filet steak was really one of the best I ever had! the menu is relatiw small, but there are some great dishes to explore. to top...it's all they hand-puloved ale (one of three sorts otters when we stayed this week). we booked and were glad that if they stay in a lodge, they can't have a table in the night. [read more](#). The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and have something. During a meal, a good drink is essential. In this **gastropub**, you not only get delicious dishes from the menu but also a comprehensive and particularly good variety of good beers and other alcoholic beverages that go well with the food, here they serve a diverse brunch for breakfast. After the meal (or during it), you have the opportunity to also relax at the bar with a **alcoholic or non-alcoholic drink**.
