[The Card](#) of Roberto's from Portsmouth includes about **155** different menus and drinks. On average, you pay for a dish / drink about £4. What [Isabella Hughes](#) likes about Roberto's:

Under new property. For six months. And not only the staff very friendly and helpful, but also they offer a very diverse selection of kitchens, in fact. English, Mediterranean and oriental. All perfectly cooked. And very cheap.

Worth a visit. [read more](#). What [Summer Powell](#) doesn't like about Roberto's:

Awful service, awful food, do not recommend. Took 2hrs to arrive, luke warm, cheapest inedible sausages (not sure they were even pork? . Called cafe when delivery was taking too long and so so rude, started shouting at me! Incredibly bad, save your money or go elsewhere. [read more](#). With the large selection of **coffee and tea specialties**, a visit to Roberto's becomes even more attractive, well digestible Mediterranean menus are also on the menu. If you decide to come for breakfast, you are offered a versatile brunch, You'll also find tasty bites, cake, small snacks and chilled refreshments and hot beverages here.
