On this homepage, you can find the **complete menu** of **Tower And Bistro** from Malahide. Currently, there are **18** meals and drinks available. The Waterside House Hotel offers a mix of dining experiences with a variety of views and food options. Despite some issues with service and ambiance, the location and friendly staff make it a good spot for a casual meal or special occasion. The food is generally tasty, portion sizes are generous, and prices are fair. The outdoor terrace is perfect for a warm day, and the bar area offers stunning sea views. While the bar area could use a makeover, the food quality makes up for any shortcomings. A great choice for a scenic lunch or dinner with family and friends.
