We have been in this restaurant since it was Atrium.food and services are on point I wanted to thank so much Any and Hugo you are professionnel you know how to take care of your costumers. Thank you again. [read more](#). When the weather conditions is good you can also have something outside, and there is no-charge WiFi. Late at night still have a small but yet delectable food? You can do that in this Brasserie - and at a fair price, At the bar, you can relax with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks. If you'd like something sweet to finish off, Shanghai Kitchen does not disappoint with its large selection of desserts, Also, of course, the environment has a big influence, which is why the guests appreciate not only the fine dishes, but also the bistro itself appreciate.
