We used to love a Naz Balti. Two chicken baltis, kashmiri rice, mushroom rice and plain naan. The curry sauce now just tastes like thickened gravy. They pack it full of onion to keep the costs down. May try again next year. If things are still as bad, we won't be ordering again. [read more](#). At Naz Balti from BROMLEY you can savor delicious [vegetarian](#) dishes, in which no animal meat or fish was used, Furthermore, the guests love the inventive combination of different meals with new and partially experimental products - a good example of successful Asian Fusion. Also, they offer you fine seafood menus, on the menu there are also a lot of **Asian meals**.
