What [User](#) likes about Kala Red: nice eating and fast and friendly service. the menu offers a good selection of means of life at a reasonably priced price. the staff is attentive and helpful and eating is of good quality. I would recommend the restaurant, but note that the bar below can be very loud on a Friday or Saturday evening, and the dj begins to play loud music quite early. [read more](#). In pleasant weather you can even be served in the outdoor area. What [User](#) doesn't like about Kala Red:

there was no atmosphere when we were the only ones on Saturday night. even though eating well tasted, it wasn't so hot that it wasn't cooked just before it came to our table. the poor of the bar below was no problem, but we left at about btw service is automatically added to the bill so there was nothing to encourage me to go back. That's exactly what you can expect at the Kala Red from Maidstone, with its **successful Asian fusion cuisine** - the perfect blend of traditional meets the adventurous world of fusion cuisine, on the daily specials there are also a lot of **Asian dishes**.
