This place was amazing! The location and decoration is great, and the food is so tasty! Personally I do not like much the indian food, however, this was perfect! I appreciate that the manager and Lora were very welcoming.

We definitely will return!. [read more](#). What [Henry Morgan](#) doesn't like about Mr. Todiwala's Kitchen:

Nice friendly service and a clean elegant table. The food was okay. Lamb was crispy and the Chutney relishes were Bland. The selection of beers was limited to the bottle of coca or its own IPA, which was quite hoppy and at 8 gbp for a 330ml bottle, a little expensive. Convenient for the hotel, but otherwise underwhelming and expensive. [read more](#).
