A complete [menu](#) of The Ship Inn from Stroud covering all 37 menus and drinks can be found here on the card. The Ship Inn offers a lovely setting for a family Sunday lunch, though some dishes were delayed and priced higher than expected. The pub atmosphere is unique but needs maintenance. Takeaway pizzas were disappointing in terms of toppings. However, the service was excellent, with special accommodation for allergies and birthday requests. The food quality was impressive, with options like Prawn Twizzle and zillionaire chocolate torte receiving praise. The pub's location by the canal, family-friendly atmosphere, and attentive staff make it a recommended spot for casual dining or special occasions. A few improvements could enhance the overall experience.
