What [User](#) likes about Al Mandaloun:

I went yesterday with my girlfriend and we found the very disappointing tik menu! correct cold inlet, catastrophic hot inlet, measurable and unloaded dish and a dessert that for my part is not so called! [read more](#). In nice weather you can even have something in the outdoor area, and there is free WLAN. What [Etienne S](#) doesn't like about Al Mandaloun:

At your own risk. Decent portions, tasty but not too extravagant, the place looks elegant and is accomodated for larger groups, the service was nice and kind, HOWEVER, I was sick the day after... Making it a major downside. The presentation of the bread in a plastic bag is a minus as well. [read more](#). At Al Mandaloun in Waterloo, you get a *tasty brunch* for breakfast and you can eat as much as you want pamper, In addition, the **charming desserts** of the local shine not only in the eyes of the little guests.
