Really good food on tonight's delivery order and on another about a month ago. Glad to have found this place!

Tonight there was one item left off the order rang just after delivery and the missing item (a sauce) was at the door within 15mins very impressed at this service and will continue to support the restaurant through lockdown and hope to be able to visit in due course [read more](#).

What [Marty_C](#) doesn't like about Charlie Changs:
Warm welcome but then denied the option of having a buffet as, they explained 'it was not a profitable venture for Charlie Chang to let only one person have the buffet!' Even offered to pay more than the asking price but that was refused. Disappointing! [read more](#). Charlie Changs from Tendring is a suitable bar to a **cocktail after work**, and sit with friends or alone, Furthermore, the visitors of the restaurant enjoy the extensive selection of the differing **coffee and tea specialities** that the establishment has available. Even the versatile, delicious Chinese cuisine is very popular among customers.
