Hier vind je [het menu](#) van **Kaffeenini** in Antwerpen-centrum. Op dit moment zijn er **16** spijzen en drankjes op de menukaart. This charming American style restaurant has a mixed reputation when it comes to food and service. While some customers rave about the delicious bagels and excellent American pancakes, others find the food underwhelming and overpriced. The coffee options are unique but opinions vary on whether they hit the mark. The staff is generally friendly and efficient, with a special mention to a particularly funny waitress. Overall, the atmosphere is cozy and the terrace is a must-visit during sunny days. With a focus on bagels and coffee, this restaurant could benefit from expanding its menu to include more options for vegetarians.
