What [User](#) likes about Sakura:

everything is excellent at home very nice service, possibility to withdraw back after the meal to prolong a moment with friends around a glass or a coffee menu very varied for all tastes, even our children found their happiness no time dead between meals assorted full veggies experienced and very friendly we went there twice and twice all the world was enchanted even the people reticent to the kitchen. Sakura:

very disappointed, the ordered [sushi](#) tray had been transported vertically; all [sushi](#) were crushed on each other and as they were bigger than usual, they were totally unpleasant. the cut of the sashimis too thick [read more](#). Sakura from Doornik is a **cozy café**, where you can have a small snack or cake with a **warm coffee or a sweet chocolate**, and it's made with lots of freshly harvested vegetables, fish and meat, easily digestible Japanese meals prepared. Of course, we must not forget the large selection of [coffee and tea specialties](#) in this locale.
