Having visited Chester on numerous occasions and only eating at this restaurant the food was not up to par this time around previously the fish and chips were excellent quality but unfortunately this time round found the fish not cooked properly waiting staff very attentive prices on par with most places but the food not happy won't be going back [read more](#). With the large variety of coffee and tea specialties, a visit to Md's becomes even more attractive, Lovers of the British cuisine are impressed by the comprehensive diversity of traditional meals and enjoy the taste of England. After the meal (or during it), you can also relax at the bar with a **alcoholic or non-alcoholic drink**, the place serves however also **menus typical for Europe**.
