What [User](#) doesn't like about Babuji:

I turned up with my opentable booking but they said they didn't have a table free. Potentially an open table issue but it wasn't clear and was pretty annoying. [read more.](#) At Babuji from London you can **taste delicious vegetarian menus**, in which no animal meat or fish was processed, On the menu there are also several **Asian meals**. The Asian fusion cuisine is likewise an important part of Babuji. Anyone who finds the normal and generally known dishes too ordinary should approach with a willingness to experiment and try some exciting combination of ingredients enjoy, At the bar, you can relax with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
