80-82 Great Titchfield Street W1W 7QT, London, United Kingdom
(+44)2073057686 - <http://www.meraki-restaurant.com/>

The Card of Meraki from London includes about 357 different menus and drinks. On average, you pay for a dish / drink about £59. What [User](#) likes about Meraki:

A lovely but also disappointing evening. Food, drink and ambience great. Didn't appreciate having to vacate our table after hours!! We were completely rushed and for almost a couple it wasn't good enough! Service was below average too. Such a shame. [read more](#). The place also offers the possibility to sit outside and eat in beautiful weather, And into the accessible rooms also come guests with wheelchairs or physiological disabilities.

What [User](#) doesn't like about Meraki:

Eat well cooked, but too expensive. Prices are not justified, nets are on average nothing special. Starters are more innovative. felt torn off. Never again. There are other Greek restaurants with less foot and more hearty food. Stuff was beautiful. Please check the value you supply, stop overloading people. [read more](#). During meals, a refreshing drink is essential. In this *gastropub*, you will find not only flavorful meals, but also a large and comprehensive diversity of good beers and other alcoholic drinks that compliment the food, The meat is freshly prepared here on an open flame. There are also easily digestible **Mediterranean dishes** on the menu, also, the Greek specialties are highly appreciated by the guests of the establishment.
