The food was delicious. vegan plates were surprisingly much and delicious. Citizens, too. But very slowly with the service. Almost 90 minutes waiting for our main dish, because only one person served. [read more](#). When the weather is nice you can also eat and drink outside. What [User](#) doesn't like about Jilles Beer Burgers: in the menu it was noted vegan next to sweet fried potatoes. We always say that the sauce they bring with these fries is vegan. and bah nonnn. We asked the question because I had a doubt in the taste and it was true mayonnaisehonteux! (the more I am pregnant, thank you for the raw egg) I hope the restaurant really knows the products that the vegan does not take and that it is just a fault on the sauce. P.s it can be... [read more](#). If you're desiring some hot South American gastronomy, you're in the right place: exquisite meals, made with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu, Moreover, the drinks menu of this gastropub offers a good and especially extensive selection of beers from the region and the world that are definitely worth a try. As a rule, most **meals are prepared in a short time for you** and served, the place offers however also **meals typical for Europe**.
