The Card of Beli from Brussel Centrum includes about **16** different menus and drinks. On average, you pay for a dish / drink about \$6.7. What [User](#) likes about Beli:

A beautiful, stylish place with kind staff serving tasty food. We came for the brunch which I wouldn't go for again as it was table service and expensive. Every little cup of coffee, etc, etc had to be paid separately. That's quite stingy from their side for a brunch! I might return for lunch or dinner some day. [read more](#). In nice weather you can even eat in the outdoor area. What [User](#) doesn't like about Beli:

Food was fine, but tiny portions given the high prices. There are so many great Lebanese/Syrian restaurants within a 5-10 minute walk where you can get double the food (for the same or better quality) for half the price. I wouldn't go again. Beli from Brussel Centrum is a suitable bar to a cocktail after work, and sit with friends or alone, Likewise, the visitors of the establishment prefer the comprehensive selection of differing coffee and tea specialities that the restaurant provides. We offer not only sweet pieces, cakes and simple snacks, but also *cold and hot drinks*, here they serve a **diverse brunch** in the morning.
