A **comprehensive menu** of **Satori Gyoza** from Kingston upon Thames covering all **34** dishes and drinks can be found here on the menu. Satori, nestled atop Bentalls in Kingston, offers a blend of experiences for its diners. While some dishes like the tempura crunch rolls and yakisoba shine, others, such as the reheated hot dishes and disappointing salmon nigiri, fall short. The ambiance features quirky fixed seating that leaves some patrons uncomfortable, yet the restaurant's cleanliness and inviting atmosphere are noteworthy. Service is consistently praised, with chefs willing to tailor dishes based on individual tastes. Despite mixed reviews on value, especially compared to competitors, this hidden gem remains a go-to for sushi lovers willing to explore its offerings.
