On this website, you can find the **complete menu** of **18fifty5 Sheffield** from Sheffield. Currently, there are **15** courses and drinks available. At this hotel restaurant, experiences vary significantly, highlighting a notable inconsistency in both food quality and service. Some diners report disappointing meals, including undercooked seafood and poorly prepared steaks, paired with frustrating service delays. Conversely, others praise the establishment for its surprising culinary excellence and attentive staff, noting delicious dishes and a welcoming ambiance. While occasional highlights emerge, such as well-presented fish and chips, the overall feedback suggests that the restaurant struggles to maintain a standard worthy of its hotel setting. Guests may find themselves contemplating off-site dining options instead of returning for another in-house meal.
