had a nice breakfast good selection so easy for all 4 of us to have something we would enjoy. the price of the deal mealtime was incredible. they set us up for the day. staff very friendly and place nice and clean. [read more](#).

The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physical limitations, Depending on the weather conditions, you can also sit outside and be served. What [Beswetherick](#) doesn't like about Bap:

Had a coffee and bap here, nothing special. To be honest, BAP seems to be copying the Subway model, so the bapping process is formulaic and designed to be as cost-effective as possible, with all humanity and love removed from the act of serving food. This does give you a cheap bap, but also a crap bap. Get what you pay for, I suppose. [read more](#). At Bap in Stockport, you get a *diverse brunch* for breakfast and you can at will pamper. Likewise, the customers of the restaurant prefer the large variety of various **coffee and tea specialities** that the establishment provides. Besides simple snacks and sweet pieces, we also offer **cold and hot drinks** and cakes, The fine sandwiches, healthy salads and other snacks are also suitable for a snack.
