For *seasonal or weekly deals*, please get in touch via phone or use the contact details provided on the website. What [User](#) likes about Seed: absolute brilliance, this place is first class. eating is exceptional quality great combinations and aromen. service is quick friendly and the whole team makes them welcome, there is something for everyone. can not recommend this location enough. happy young with their new venture [read more](#). The restaurant offers free WiFi for its customers, Depending on the weather conditions, you can also sit outside and be served. What [Dgn1010](#) doesn't like about Seed: Great to see a new local business do so well, but customer service from owner on the till the day I visited was seriously lacking. No friendliness whatsoever. Great idea for healthy food but overpriced for the breakfast I got. [read more](#). In the morning, you can enjoy a **rich brunch** at Seed, as much as you want, Besides, the inventive blend of different meals with new and sometimes adventurous products is appreciated by the guests - a beautiful case of Asian Fusion. Of course, the most diverse products are also used in the most extraordinary combinations and variations - according to the motto of the Fusion Cuisine on the menu, The palate also enjoys well digestible Mediterranean courses that are available.
