What [User](#) likes about King Of Falafel:

This place has huge reasonably priced falafel wraps. I like that the pita they use is always fresh. Also, their salad is seasoned and not bland. Their falafels have a lot of harissa and yogurt sauce rather than tahini, which I quite like. There is usually a line around lunch time so try to get in there early and hop on the line as soon as you do! All their wraps and sandwiches are quite juicy which is great. [read more](#). In beautiful weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about King Of Falafel:

given the name and other positive reviews, I expected a very fresh and tasteful falafel. instead I got a slightly reheated but mostly lukewarm and dry falafel with plenty suppe hummus and salat. / if they are available, this can work with regard to fresh salads, but I would recommend for one of the spears or other meats they offer, as it turns out, being cooked at the site and were tastier. Good luck! [read more](#).
