Dined here every night wonderful choice, large portions, superbly presented, excellent quality and service. Restaurant was very spacious and warm just what was needed on this windy week. [read more](#). What [Kathryn J](#) doesn't like about The Royal:

The food here is nice, but my husband had the mussels as a main course and got 18 small mussels which didn't even fill the mussel pot that my smoked haddock pot came in. A visit to The Royal becomes even more rewarding due to the large selection of **coffee and tea specialties**, Lovers of the English cuisine are impressed by the comprehensive diversity of traditional meals and enjoy the taste of England. After the meal (or during it), you have the opportunity to still relax at the bar with a alcoholic or non-alcoholic drink.
