I very often eat out, mainly in Restaurants, and I use to go pass this place that looked always busy. So I gave it a go, with a Jacket potato with Tuna, and a Spinach smoothy and was really impressed, with the courtesy, quality, and service. [read more](#). What [Richard D](#) doesn't like about Feast:

I ordered a roasted vegetable wrap and satay sauce. Unfortunately the vegetables didn't seem very roasted, the plain wrap wasn't toasted or warmed up and it arrived rolled up and cut in the middle making the filling fall from both ends. That said, I'd I have fish tacos from here once and they were really good. [read more](#). At Feast from Worthing, there are tasty sandwiches, small salads and other snacks for quick hunger in between, as well as cold and hot beverages, here they serve a **comprehensive brunch** for breakfast. Moreover, there are a wealth of **classically British** menus on the card that will evoke nostalgic feelings in every Brit abroad.
