On this homepage, you will find the **complete [menu](#) of Golden House** from Telford and Wrekin. Currently, there are **14** dishes and drinks available. The local Chinese takeaway has seen a marked change in quality and service following a recent ownership transition. While some patrons reminisce about the delicious meals of the past, their recent experiences reveal a trend of bland and greasy offerings. Cash-only payment policies over weekends have further alienated regular customers. However, not all feedback is negative; several diners report consistently high standards, praising dishes like salt and pepper ribs and special curries. Overall, mixed reviews suggest that while some maintain loyalty, others may seek better alternatives in the growing culinary landscape.
