A comprehensive [menu](#) of Pelican Cafe from Glasgow City covering all 23 courses and drinks can be found here on the food list. The Pelican offers a colorful atmosphere paired with modern Scottish cuisine that garners both praise and criticism. While some guests rave about the quality of the meals, such as perfectly cooked dishes and generous portions, others express frustration over inconsistent service. Reports of long waits for food and mixed-up orders taint the overall dining experience, leading some to seek alternative venues in the area. Conversely, the cafe's friendly staff and charming ambiance have earned it a loyal following, with many eager to return for delightful breakfasts and quality lunch options. Ultimately, The Pelican presents a blend of culinary delight and service challenges.
