The restaurant from Islington offers **179** different *dishes and drinks* on [the menu](#) at an average £9. What [User](#) likes about The Angelic:

we woke up my father yesterday in the room upstairs. the food they have done for us was amazing the personal was so great when they need a party nothing was much annoyed [read more](#). When the weather is good you can also have something outside, And into the accessible rooms also come clientele with wheelchairs or physical disabilities. WiFi is available free of charge. The joint offers a little bit of this and a little bit of that with its popular Tapas, the customers love having the chance to watch the latest games or races on the big screen in this [sports bar](#), while also enjoying food and drinks. You have the option to, after the meal (or during it), also relax at the bar with an alcoholic or non-alcoholic drink, Moreover, the menu of this **gastropub** offers a good and especially extensive selection of beers from the region and the world that are definitely worth a try.
