On this homepage, you can find the **complete menu of Oasis O1** from Greenwich. Currently, there are **22** menus and drinks available. The DoubleTree by Hilton Greenwich boasts a varied dining experience that yields mixed reactions. While some have enjoyed a delightful meal featuring expertly prepared dishes like sirloin steak and homemade soup, others have faced frustration with disorganization and unavailability of tables despite reservations. The bar provides an alternative for those seeking a more casual dining experience, offering an extensive menu complemented by excellent service. Notably, breakfast options cater to diverse tastes, mixing British and American favorites. Overall, while the food garners praise, inconsistencies in service and management remain a concern for potential diners.
