beautiful, though small, vegan junk' food in the city center. the location is great and the menu has many options from which you can choose. my 5yo had the southern fried chick (since) loaded pommies and ate that off. I had the facon cheese burger who was excellent, though a bit scary to eat. my omni partner and his omni brother both loved their food to one explained the hot dog as the best hot dog I had in a long tim... At Orinoco Vegan York in York, a selection of fine dishes with original Indian spices and sides like *rice or naan* are freshly prepared, The tasty desserts of the establishment also shine not only on children's plates and in children's eyes. There are also fine American dishes, for example, **burgers and grilled meat**, In addition, the cocktail menu that is offered in this established eatery is impressive. It offers a wide diversity of beers from the region and the whole world.
