what if your favorite beer was a restaurant? I bet this was what the asked before opening this question and it seems to be a winner that eating was delicious, juicy and full of taste, but without being too hot. I had the chicken burrito that already came with saun and guacamole (not like the other restaurants that they need to order extra) and my friend had with screed (forget the right name), which I really liked, b... Awful. This restaurant ' (if you can call it that) is one of the worst places I have ever eaten at. We got here and I asked my waitress of we could order, her response was I can't speak English I'll get someone else'. Straight away this annoyed me because how can you serve someone if you can't speak to them? I then ordered my food and told the manager it was a bit chilly because I could feel a draft as the door was... [read more](#). If you're hungry for some tasty South American culinary arts, this is the place to be: delicious meals, prepared with fish, seafood delicacies, and meat, but also **corn, beans, and potatoes** are on the menu, Many visitors are also especially looking forward to the **diverse, tasty Mexican cuisine**. Look forward to the enjoyment of fine vegetarian meals, and you can try fine American menus like Burger or Barbecue.
