What User likes about Three Church Road: It was a beautiful venue food lovely. On the downside I ordered Barnsley chop and got cow cheek , the resturant was a target too bright, the wine came open which should have been opened at the table. The lady waitress was very friendly but needed a bit of training to pour wine not fill glasses to the brim.I would return if these few things were put right. [read more](#). positive: the personal was friendly, corrected error. negative: we sat on a table that had lipstick on the tease. we were served bread/sandwiches that were moulded on them. because of the latter output, we were provided free drinks and a discount, and a new batch was provided. also teacup has been replaced immediately. the service was fast and easy.
