What [User](#) likes about Harvester Crown Inn:

all around it was good and eating is what I expected at this opportunity was not a big table that was light too low and I would catch my head on it when getting out of table [read more](#). What [User](#) doesn't like about Harvester Crown Inn:

slower service, had to find someone when we order dissapointing salad bar out of cheese for burger, then expected to pay extra if desired cheese cost for what they get, not very good value for money [read more](#). For those who want to **a beer after work** and sit with friends or alone, Harvester Crown Inn from Bristol is a good bar, Of course, you also have to try the fine burgers, that come with sides like fries, salads, or wedges provided. Furthermore, there are several *typically British* menus on the menu that give every Englishman abroad the feeling of being at home, the place offers also [menus from the European environment](#).
