What [User](#) likes about Basil's Grill: we went to the 10-course tapas tasting menu evening. everything from service to the quality of eating was first class. it wouldn't have been better! I could not recommend basils very enough. [read more](#). You can use the WiFi of the restaurant free of charge. What [User](#) doesn't like about Basil's Grill: Although it was the week with the Rave reviews, we expected it to be busy. it warns. all night there was another table and they went shortly after we had set ourselves. that was okay. the starters were nice, but my pasta was over boiled and claggy'. the service was extremely amatuer. the young girl who order our drinks, wrote it on her hand! not very professional or hygienic. they didn't give our dessert spoons on th... [read more](#). At Basil's Grill in [Rochdale](#), **tasty barbecue is freshly prepared** on an open flame and garnished with **flavorful sides**, Particularly fans of the British cuisine are excited about the extensive selection of traditional dishes and love the typical English cuisine.
