What [User](#) likes about Gugar: recommend their vegan wraps and burgers. really fill and taste great! great music, a choice of beer. step sit in valetta (but without Tje crowds from other step-chair roads). [read more](#). What [User](#) doesn't like about Gugar: A truly disappointing place. Their [vegetarian](#) dishes may be alright, but I don't know about those. All the vegan options are horrible. Tasteless, dry, hard to eat. Feels like they have just taken a [vegetarian](#) dish and removed the cheese, without substituting it for anything. I've been here several times, and [disappointed](#) every time. And the whole place, especially the basement, smells like mold very strongly, so bad... [read more](#). At the local, the fresh and fine **juices** on the drinks menu wonderfully complement the meals, the place serves also menus from the [European](#) environment. Of course, the right drink with a meal can be crucial; this **gastropub** provides a wide diversity of tasty and regional alcoholic beverages like beer or wine, well digestible *Mediterranean dishes* are also available.
